WITNESSETH:

WHEREAS, Title 1 of Article 18-A of the General Municipal Law of the State of New York, Chapter 24 of the Consolidated Laws of New York (the "Enabling Act") was duly enacted into law as Chapter 1030 of the Laws of 1969 of the State of New York, as amended; and

WHEREAS, the Enabling Act authorizes and provides for the creation of industrial development agencies for the benefit of the several counties, cities, villages and towns in the State of New York (the "State") and empowers such agencies, among other things, to acquire, construct, reconstruct, lease, improve, maintain, equip and dispose of land and any building or other improvement, and all real and personal properties, including, but not limited to, machinery and equipment deemed necessary in connection therewith, whether or not now in existence or under construction, which shall be suitable for manufacturing, warehousing, research, commercial or industrial purposes, in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their standard of living; and

WHEREAS, the Enabling Act further authorizes each such agency, for the purpose of carrying out any of its corporate purposes, to lease or sell any or all of its facilities, whether then owned or thereafter acquired; and

WHEREAS, the Agency was created, pursuant to and in accordance with the provisions of the Enabling Act, by Chapter 225 of the Laws of 1971 of the State, as amended, constituting Section 895-f of said General Municipal Law (collectively, with the Enabling Act, the "Act") and is empowered under the Act to undertake the Project (as hereinafter defined) in order to so advance the job opportunities, health, general prosperity and economic welfare of the people of the State and improve their standard of living; and

WHEREAS, in June, 2013, The Development Corporation Clinton County, New York (the "Company"), a not-for-profit corporation duly organized and validly existing under the laws of the State of New York, presented an application (the "Application") to the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project to include the following: (A) (1) the acquisition of an interest or interests in an approximately 3.59 acre parcel of land known as Lot 21A on Gus Lapham Drive in the Town of Plattsburgh, Clinton County, New York (collectively, the "Land"), (2) the construction thereon of a building to contain approximately 20,000 square foot of space and related improvements on the Land (collectively, the "Facility") and (3) the acquisition and installation thereon and therein of various machinery and equipment (the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be leased by the Company for use as a warehouse/light assembly; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real

property taxes, real property transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on July 8, 2013 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Executive Director of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on July 11, 2013 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted (1) on July 11, 2013 at the Town of Plattsburgh Town Hall located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York in the Town of Plattsburgh, New York and (2) on the Agency’s website, (C) caused notice of the Public Hearing to be published on July 11, 2013 in the Press Republican, a newspaper of general circulation available to the residents of the Town of Plattsburgh, New York, (D) conducted the Public Hearing on July 25, 2013 at 10:00 o’clock a.m., local time in the offices of the Agency located at 190 Banker Road, Suite 500 in the Town of Plattsburgh, Clinton County, New York, and (E) prepared a report of the Public Hearing (the “Public Hearing Report”) fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

The Company shall execute, deliver and record or file all instruments necessary or appropriate to so vest title in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons. The Company shall, however, be entitled to physical possession and control of the Project Facility and shall be liable at all times for all risk, loss and damage with respect to the Project Facility.

(B) The Company hereby represents and warrants that it has good and marketable title to the portions of the Project Facility that exist on the Closing Date, free and clear from all Liens except for Permitted Encumbrances, and agrees that the Company will defend, indemnify and hold the Agency harmless from any expense or liability due to any defect in title thereto. The Company also agrees to pay all reasonable expenses incurred by the Agency in defending any action with respect to title to or a Lien affecting the Project Facility, except for Permitted Encumbrances.

SECTION 3.2. USE OF PROJECT FACILITY. Subsequent to the Closing Date, the Company shall be entitled to use the Project Facility in any manner not otherwise prohibited by the Basic Documents or the Act, provided such use causes the Project Facility to qualify or continue to qualify as a "project" under the Act and does not tend, in the reasonable judgment of the Agency, to bring the Project Facility into disrepute as a public project; provided, however, that the Project Facility will not be used (1) as facilities used or to be used primarily for sectarian instruction or as a place of religious worship or (2) primarily as in connection with any part of a program of a school or department of divinity for any religious denomination; provided, further, however, that at no time shall any such use be other than as a warehouse/light assembly facility and uses related thereto, without the written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 3.3. HAZARDOUS MATERIALS (A) The Company represents, warrants and covenants that the Company has not used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, and no prior owner of the Project Facility or any tenant, subtenant, prior tenant or prior subtenant has used Hazardous Materials on, from or affecting the Project Facility in any manner which violates any Applicable Law, including but not limited to those governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials.

(B) The Company shall keep or cause the Project Facility to be kept free of all Hazardous Materials. Without limiting the foregoing, the Company shall not cause or permit the Project Facility to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, except in compliance with all Applicable Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company, or any tenant or subtenant of the Company, an unlawful release of Hazardous Materials onto the Project Facility or onto any other property.

(C) The Company shall comply with, and ensure compliance by all tenants and subtenants of the Company with, all Applicable Laws regarding Hazardous Materials whenever and by whomever triggered, and shall obtain and comply with, and ensure that all tenants and subtenants of the Company obtain and comply with, any and all approvals, registrations or permits required thereunder.

(D) The Company shall (1) conduct and complete all investigations, studies, sampling, and testing, and all remedial, removal, and other actions necessary to clean up, remove or contain all Hazardous Material on, from or affecting the Project Facility (a) in accordance with all Applicable Laws, (b) to the satisfaction of the Agency, and (c) in accordance with the orders and directives of all federal, state and local governmental authorities and (2) defend, indemnify, and hold harmless the Agency and its employees, agents, officers and members from and against any claims, demands, penalties, fines, liabilities, settlements, damages, costs or expenses of whatever kind or nature, known or unknown, contingent or otherwise, arising out of, or in any way related to, (a) the presence, disposal, release or threatened release of any Hazardous Materials used, transported, stored, manufactured, refined, handled, produced or disposed of on or in the Project Facility which are on, from or affecting soil, water, vegetation, buildings, personal property, persons, animals or otherwise, (b) any personal injury (including wrongful death) or property damage (real or personal) arising out of or related to such Hazardous Materials, (c) any lawsuit brought or threatened, settlement reached, or any government order relating to such Hazardous Materials, and/or (d) any violations of Applicable Laws which are based upon or in any way related to such Hazardous Materials, including, without limitation, attorney and consultant fees, investigation and laboratory fees, court costs and litigation expenses. Costs under this Subsection (D) will be repaid immediately with interest at the Default Interest Rate or the maximum permitted by law, whichever is less.

(E) In the event the Project Facility is foreclosed by the Agency, or the Company tenders a deed in lieu of foreclosure, the Company shall deliver the Project Facility to the purchaser free of any and all Hazardous Materials (except Hazardous Materials the presence of which do not violate any Federal, State or local laws, ordinances, rules and regulations governing the use and storage of such materials), so that the condition of the Project Facility shall conform with all Applicable Laws affecting the Project Facility.

(F) The Company agrees that the Agency and its officers, agents or representatives, may at any reasonable time and at the Company's expense inspect the Company's books and records and inspect and conduct any tests on the Project Facility, including taking soil samples, in order to determine that the Company is in compliance with all Applicable Laws.

(G) In the event that insurance shall become available at a reasonable cost to cover the Company's obligations under this Section 3.3, then, at the option of the Agency, the Company shall obtain adequate coverage.

SECTION 3.4. NON-MERGER. During the term of this Lease Agreement, there shall be no merger of this Lease Agreement nor of the leasehold estate created by this Lease Agreement with the fee estate in the Premises or any part thereof by reason of the fact that the same person, firm, corporation or other entity may acquire or own or hold, directly or indirectly, (1) this Lease Agreement or the leasehold estate created by this Lease Agreement or any interest in this Lease Agreement or in any such leasehold estate and (2) the fee estate in the Premises or any part thereof or any interest in such fee estate, and no such merger shall occur unless and until all corporations, firms and other entities, including any mortgagee having any interest in (x) this Lease Agreement or the leasehold estate created by this Lease Agreement and (y) the fee estate in the Premises or any part thereof or any interest in such fee estate, shall join in a written instrument effecting such merger and shall duly record the same.

SECTION 3.5. COMPLIANCE WITH LEASE TO AGENCY. (A) Notwithstanding the granting of the leasehold interest created by the Lease to Agency in the Leased Premises to the Agency pursuant to the Lease to Agency, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the Lease to Agency for the performance of all covenants, agreements, obligations and duties of the Agency as tenant under the Lease to Agency, including but not limited to the making of all rental and other payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency as tenant under the Lease to Agency, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all rents, additional rents and other sums required to be paid by the Agency as tenant under and pursuant to the provisions of the Lease to Agency and (2) diligently perform and observe all of the terms, covenants and conditions of the Lease to Agency on the part of the Agency, as tenant thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the landlord under the Lease to Agency, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as tenant, under the Lease to Agency.

SECTION 3.6. COMPLIANCE WITH LICENSE TO AGENCY. (A) Notwithstanding the granting of the license interest created by the License to Agency in the Licensed Premises to the Agency pursuant to the License to Agency, the Company agrees, in consideration of the undertakings of the Agency set forth herein, that the Company will be and remain solely liable under the License to Agency for the performance of all covenants, agreements, obligations and duties of the Agency as licensee under the License to Agency, including but not limited to the making of all payments thereunder, and the Company will perform all of the covenants, agreements and obligations of the Agency as licensee under the License to Agency, at no expense to the Agency, in consideration of the execution and delivery by the Agency of the Basic Documents.

(B) The Company shall, on behalf of the Agency, (1) pay all sums required to be paid by the Agency as licensee under and pursuant to the provisions of the License to Agency and (2) diligently perform and observe all of the terms, covenants and conditions of the License to Agency on the part of the Agency, as licensee thereunder, to be performed and observed, unless such performance or observance shall be waived or not required in writing by the licensor under the License to Agency, to the end that all things shall be done which are necessary to keep unimpaired the rights of the Agency, as licensee, under the License to Agency.

ARTICLE IV

UNDERTAKING AND COMPLETION OF THE PROJECT

SECTION 4.1. ACQUISITION, CONSTRUCTION, RECONSTRUCTION AND INSTALLATION OF THE PROJECT FACILITY. (A) The Company shall, on behalf of the Agency, promptly acquire, construct, reconstruct and/or install the Project Facility, or cause the acquisition, construction, reconstruction and/or installation of the Project Facility, all in accordance with the Plans and Specifications.

(B) No material change in the Plans and Specifications shall be made unless the Agency shall have consented thereto in writing (which consent of the Agency shall not be unreasonably withheld or delayed).

(C) Title to all materials, equipment, machinery and other items of Property now owned or hereafter acquired by the Company and which are intended to be a part of the Project Facility shall vest in the Agency immediately upon execution of the Bill of Sale to Agency. Title to all materials, equipment, machinery and other items of Property acquired by the Company subsequent to the Closing Date and intended to be incorporated or installed in and to become part of the Project Facility shall vest in the Agency immediately upon deposit on the Land or incorporation or installation in the Project Facility, whichever shall first occur. The Company shall execute, deliver and record or file all instruments necessary or appropriate to vest title to the above in the Agency and shall take all action necessary or appropriate to protect such title against claims of any third Persons.

(D) The Agency shall enter into, and accept the assignment of, such contracts as the Company may request in order to effectuate the purposes of this Section 4.1; provided, however, that the liability of the Agency thereunder shall be limited to the moneys of the Company available therefor and advanced by the Company for such purpose pursuant to Section 4.1(H) of this Lease Agreement.

(E) The Agency hereby appoints the Company as its true and lawful agent to perform the following in compliance with the terms, purposes and intent of the Basic Documents, and the Company hereby accepts such appointment: (1) to acquire, construct, reconstruct and install the Project Facility, (2) to make, execute, acknowledge and deliver any contracts, orders, receipts, writings and instructions with any other Persons, and in general to do all things which may be requisite or proper, all for the acquisition, construction, reconstruction and installation of the Project Facility, with the same powers and with the same validity as the Agency could do if acting in its own behalf, provided that the liability of the Agency thereunder shall be limited to the moneys made available therefore by the Company and advanced for such purposes by the Company pursuant to this Lease Agreement, (3) to pay all fees, costs and expenses incurred in the acquisition, construction, reconstruction and installation of the Project Facility from funds made available therefor in accordance with this Lease Agreement, and (4) to ask, demand, sue for, levy, recover and receive all such sums of money, debts, dues and other demands whatsoever which may be due, owing and payable to the Agency under the terms of any contract, order, receipt or writing in connection with the acquisition, construction, reconstruction and installation of the Project Facility and to enforce the provisions of any contract, agreement, obligation, bond or other performance security in connection with the same.

(F) The Company has given or will give or cause to be given all notices and has complied or will comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on the Project Facility, and the Company will defend, indemnify and save the Agency and its officers, members, agents, servants and employees harmless from all fines and penalties due to failure to comply

therewith. All permits and licenses necessary for the prosecution of work on the Project Facility shall be procured promptly by the Company.

(G) To the extent required by Applicable Law, the Company, as agent of the Agency, will cause (1) compliance with the requirements of Article 8 of the New York Labor Law, and (2) any contractor, subcontractor and other person involved in the acquisition, construction, reconstruction and installation of the Project Facility to comply with Article 8 of the New York Labor Law. The covenant in this Subsection is not intended as a representation that Article 8 of the New York Labor Law applies to the Project.

(H) The Company agrees, for the benefit of the Agency, to undertake and complete the Project and to pay all such sums as may be required in connection therewith. Title to portions of the Project Facility acquired, constructed, reconstructed and installed at the Company's cost shall immediately upon such acquisition, construction, reconstruction or installation vest in the Agency. The Company shall execute, deliver and record or file such instruments as the Agency may request in order to perfect or protect the Agency's title to such portions of the Project Facility.

(I) No payment by the Company pursuant to this Section 4.1 shall entitle the Company to any reimbursement for any such expenditure from the Agency or to any diminution or abatement of any amounts payable by the Company under this Lease Agreement.

SECTION 4.2. COMPLETION OF THE PROJECT FACILITY. (A) The Company will proceed with due diligence to commence and complete the acquisition, construction, reconstruction and installation of the Project Facility. Completion of the same shall be evidenced by a certificate signed by an Authorized Representative of the Company delivered to the Agency stating (1) the date of such completion, (2) that all labor, services, materials and supplies used therefor and all costs and expenses in connection therewith have been paid, (3) that the acquisition, construction, reconstruction and installation of the Project Facility has been completed, with the exception of ordinary punchlist items and work awaiting seasonal opportunity, (4) that the Company or the Agency has good and valid title to all Property constituting a portion of the Project Facility, free and clear of all Liens and encumbrances except Permitted Encumbrances, and (5) that the Project Facility is ready for occupancy, use and operation for its intended purposes.

(B) Notwithstanding the foregoing, such certificate may state (1) that it is given without prejudice to any rights of the Company against third parties which exist at the date of such certificate or which may subsequently come into being, (2) that it is given only for the purposes of this Section 4.2, and (3) that no Person other than the Agency may benefit therefrom. Such certificate shall be accompanied by a certificate of occupancy, or a letter from the local Governmental Authority stating that no certificate of occupancy is required, and any and all permissions, licenses or consents required of Governmental Authorities for the occupancy, operation and use of the Project Facility for its intended purposes.

SECTION 4.3. REMEDIES TO BE PURSUED AGAINST CONTRACTORS, SUBCONTRACTORS, MATERIALMEN AND THEIR SURETIES. In the event of a breach, default or event of default by any contractor, subcontractor or materialman under any contract made by it in connection with the acquisition, construction, reconstruction and installation of the Project Facility or in the event of a breach of warranty or other liability with respect to any materials, workmanship or performance guaranty, the Company shall proceed, either separately or in conjunction with others, to exhaust the remedies of the Company and the Agency against the contractor, subcontractor or materialman so in default and against each surety for the performance of such contract. The Company may, in its own name or, with the prior written consent of the Agency, in the name of the Agency, prosecute or defend any action or proceeding or take any other action involving any such contractor, subcontractor, materialman or surety which the Company deems

reasonably necessary, and in such event the Agency hereby agrees, at the Company's sole expense, to cooperate fully with the Company and to take all action necessary to effect the substitution of the Company for the Agency in any such action or proceeding. The Company shall advise the Agency of any actions or proceedings taken hereunder. The Net Proceeds of any recovery secured by the Company as a result of any action pursued against a contractor, subcontractor, materialman or their sureties pursuant to this Section 4.3 shall be used to the extent necessary to complete the Project Facility, and thereafter be paid to the Company for its own use. The Company shall advise the Agency of any actions or proceedings taken hereunder.

ARTICLE V

DEMISE OF PROJECT FACILITY; RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE

SECTION 5.1. LEASE OF THE PROJECT FACILITY. In consideration of the Company's covenant herein to make rental payments hereunder, and in consideration of the other covenants of the Company contained herein, including the covenant to make additional and other payments required hereby, the Agency hereby agrees to demise and lease to the Company, and the Company hereby agrees to rent and lease from the Agency, the Agency's interest in the Project Facility, subject only to Permitted Encumbrances. The obligation of the Agency under this Section 5.1 to lease the Project Facility to the Company shall be subject to there being no Event of Default existing hereunder, or any other event which would, but for the passage of time, be such an Event of Default.

SECTION 5.2. DURATION OF THE LEASE TERM; QUIET ENJOYMENT. (A) The Agency shall deliver to the Company possession of the Project Facility, and the leasehold estate created hereby shall commence, on the Closing Date, and the Company shall accept possession of the Project Facility on the Closing Date.

(B) Except as otherwise provided in Article X hereof, the leasehold estate created hereby shall terminate on the earlier to occur of (1) December 31, 2024 or (2) the date that this Lease Agreement shall terminate pursuant to Article X or Article XI hereof.

(C) The Company acknowledges that termination of the term of this Lease Agreement, either pursuant to the terms of this Section 5.2 or pursuant to the terms of Article X or Article XI hereof, shall not relieve the Company of its obligation to make the Payments in Lieu of Taxes due pursuant to Section 2.02 or Section 5.01 of the Payment in Lieu of Tax Agreement, nor entitle the Company to a discharge of the Pilot Mortgage prior to the payment in full of all such Payments in Lieu of Taxes and all other amounts due and payable pursuant to the Payment in Lieu of Tax Agreement, the Project Benefits Agreement, the Sales Tax Recapture Agreement and the Pilot Mortgage.

(D) The Agency shall take no action, other than pursuant to Article X of this Lease Agreement, to prevent the Company from having quiet and peaceable possession and enjoyment of the Project Facility during the term of this Lease Agreement and will, at the request of the Company and at the Company's expense, cooperate with the Company in order that the Company may have quiet and peaceable possession and enjoyment of the Project Facility.

SECTION 5.3. RENTAL PAYMENTS AND OTHER AMOUNTS PAYABLE. (A) The Company shall pay basic rental payments for the Project Facility as follows: On the date of execution and delivery of this Lease Agreement, the Company shall pay, as the basic lease payments due hereunder, (1) a single lump sum basic rental payment, equal to the Agency's administrative fee relating to the Project; plus (2) an additional lump sum basic rental payment in an amount equal to the fees and expenses of general counsel and special counsel to the Agency relating to the Project.

(B) Within seven (7) days after receipt of a demand therefor from the Agency, the Company shall pay to the Agency the sum of the reasonable expenses of the Agency and the officers, members, agents and employees thereof incurred by reason of the Agency's ownership, leasing or sale of the Project Facility or in connection with the carrying out of the Agency's duties and obligations under this Lease Agreement or any of the other Basic Documents, and any other fee or expense of the Agency with respect

to the Project Facility, the leasing or sale of the Project Facility to the Company, or any of the other Basic Documents, the payment of which is not otherwise provided for under this Lease Agreement.

(C) The Company agrees to make the above-mentioned payments, without any further notice, by check or wire transfer, in lawful money of the United States of America as, at the time of payment, shall be legal tender for the payment of public and private debts. In the event the Company shall fail to make any payment required by this Section 5.3 within ten (10) days of the date such payment is due, the Company shall pay the same, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less, from the date on which such payment was due until the date on which such payment is made.

SECTION 5.4. NATURE OF OBLIGATIONS OF THE COMPANY HEREUNDER. (A) The obligations of the Company to make the payments required by this Lease Agreement and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be general obligations of the Company and shall be absolute and unconditional irrespective of any defense or any right of set-off, recoupment, counterclaim or abatement that the Company may otherwise have against the Agency. The Company agrees that it will not suspend, discontinue or abate any payment required by, or fail to observe any of its other covenants or agreements contained in, this Lease Agreement, or terminate this Lease Agreement for any cause whatsoever, including, without limiting the generality of the foregoing, failure to complete the acquisition, construction, reconstruction or installation of the Project Facility, any defect in the title, design, operation, merchantability, fitness or condition of the Project Facility or any part thereof or in the suitability of the Project Facility or any part thereof for the Company's purposes or needs, failure of consideration for, destruction of or damage to, Condemnation of title to or the use of all or any part of the Project Facility, any change in the tax or other laws of the United States of America or of the State or any political subdivision thereof, or any failure of the Agency to perform and observe any agreement, whether expressed or implied, or any duty, liability or obligation arising out of or in connection with this Lease Agreement.

(B) Nothing contained in this Section 5.4 shall be construed to release the Agency from the performance of any of the agreements on its part contained in this Lease Agreement, and, in the event the Agency should fail to perform any such agreement, the Company may institute such action against the Agency as the Company may deem necessary to compel performance or recover damages for non-performance (subject to the provisions of Section 12.10 hereof); provided, however, that the Company shall look solely to the Agency's estate and interest in the Project Facility for the satisfaction of any right or remedy of the Company for the collection of a judgment (or other judicial process) requiring the payment of money by the Agency in the event of any liability on the part of the Agency, and no other Property or assets of the Agency or of the members, officers, agents (other than the Company) or employees of the Agency shall be subject to levy, execution, attachment or other enforcement procedure for the satisfaction of the Company's remedies under or with respect to this Lease Agreement, the relationship of the Agency and the Company hereunder or the Company's use and occupancy of or purchase of or title to the Project Facility, or any other liability of the Agency to the Company.

SECTION 5.5. GRANT OF SECURITY INTEREST. The Company hereby grants the Agency a security interest in all of the right, title and interest of the Company in the Project Facility and in all additions and accessions thereto, all replacements and substitutions therefor and all proceeds thereof, and all books, records and accounts of the Company pertaining to the Project Facility, and all proceeds thereof, as security for payment of the rental payments and all other payments and obligations of the Company hereunder. The Company hereby irrevocably appoints the Agency as its attorney-in-fact to execute and deliver and file any instruments necessary or convenient to perfect and continue the security interest granted herein.

ARTICLE VI

MAINTENANCE, MODIFICATIONS, TAXES AND INSURANCE

SECTION 6.1. MAINTENANCE OF, AND MODIFICATIONS TO, THE PROJECT FACILITY. (A) During the term of this Lease Agreement, the Company shall (1) keep the Project Facility in good condition and repair and preserve the same against waste, loss, damage and depreciation, ordinary wear and tear excepted, (2) make all necessary repairs and replacements to the Project Facility or any part thereof (whether ordinary or extraordinary, structural or nonstructural, foreseen or unforeseen), and (3) operate the Project Facility in a sound and economic manner.

(B) The Company shall not make any structural additions, modifications or improvements to the Project Facility or any part thereof unless:

(1) the Company shall (a) give or cause to be given all notices and comply or cause compliance with all Applicable Laws applying to or affecting the conduct of work on such addition, modification or improvement to the Project Facility, or a part thereof, (b) defend and save the Agency and its officers, members, agents (other than the Company) and employees harmless from all fines and penalties due to failure to comply therewith, (c) promptly procure all permits and licenses necessary for the prosecution of any work described in this Section 6.1(B), and (d) make all payments in lieu of taxes required by Section 6.6 hereof and the Payment in Lieu of Tax Agreement, including those required by Section 2.03(D) thereof;

(2) the addition, modification or improvement to the Project Facility shall not constitute a default under any of the Basic Documents; and

(3) the Company shall furnish to the Agency, at least thirty (30) days prior to commencing such addition, modification or improvement to the Project Facility detailed plans and specifications therefor; provided, further, however, that such plans need not be furnished to the Agency for nonstructural additions, modifications or improvements to the Project Facility which do not exceed, at any one time, \$250,000 in value.

SECTION 6.2. TAXES, ASSESSMENTS AND UTILITY CHARGES. (A) The Company shall pay or cause to be paid, as the same respectively become due, (1) all taxes and governmental charges of any kind whatsoever which may at any time be lawfully assessed or levied against or with respect to the Project Facility, (2) all utility and other charges, including "service charges", incurred or imposed for the operation, maintenance, use, occupancy, upkeep and improvement of the Project Facility, (3) all assessments and charges of any kind whatsoever lawfully made with respect to the Project Facility by any Governmental Authority for public improvements; provided that, with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Company shall be obligated hereunder to pay only such installments as are required to be paid during the term of this Lease Agreement and (4) all payments in lieu of taxes with respect to the Project Facility payable pursuant to the Payment in Lieu of Tax Agreement and Section 6.6 hereof.

(B) Notwithstanding the provisions of Subsection (A) of this Section 6.2, the Company may in good faith actively contest any such taxes, assessments and other charges, provided that the Company (1) first shall have notified the Agency in writing of such contest and (2) is not in default under any of the Basic Documents. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 6.3. INSURANCE REQUIRED. During the term of this Lease Agreement, the Company shall maintain insurance with respect to the Project Facility against such risks and for such amounts as are customarily insured against by businesses of like size and type, paying, as the same become due and payable, all premiums with respect thereto, including, but not necessarily limited to:

(A) (1) During and prior to completion of the Project Facility, builder's risk (or equivalent coverage) insurance upon any work done or material furnished in connection with the acquisition, construction, reconstruction and installation of the Project Facility, issued to the Company and the Agency, as insureds, as their interests may appear, and (2) at such time that builder's risk insurance is no longer available by virtue of completion of the acquisition, construction, reconstruction and installation of the Project Facility, insurance protecting the interests of the Company and the Agency as insureds, as their interests may appear, against loss or damage to the Project Facility by fire, lightning, vandalism, malicious mischief and other perils normally insured against with a uniform extended coverage endorsement, such insurance at all times to be in an amount acceptable to the Company and the Agency.

(B) To the extent applicable, workers' compensation insurance, disability benefits insurance and such other forms of insurance which the Company is required by law to provide, covering loss resulting from injury, sickness, disability or death of employees of the Company who are located at or assigned to the Project Facility or who are responsible for the acquisition, construction, reconstruction or installation of the Project Facility.

(C) Insurance protecting the Company and the Agency, as insureds, against loss or losses from liabilities imposed by law or assumed in any written contract (including, without limitation, the contractual liability assumed by the Company under Section 8.2 of this Lease Agreement) and arising from personal injury or death or damage to the Property of others caused by any accident or occurrence, with limits of not less than \$1,000,000 per person per accident or occurrence on account of personal injury, including death resulting therefrom, and \$500,000 per accident or occurrence on account of damage to the Property of others, excluding liability imposed upon the Company by any applicable workers' compensation law, and a separate umbrella liability policy protecting the Company and the Agency with a limit of not less than \$5,000,000.

(D) THE AGENCY DOES NOT IN ANY WAY REPRESENT THAT THE INSURANCE SPECIFIED HEREIN, WHETHER IN SCOPE OR COVERAGE OR LIMITS OF COVERAGE, IS ADEQUATE OR SUFFICIENT TO PROTECT THE COMPANY'S BUSINESS OR INTEREST.

SECTION 6.4. ADDITIONAL PROVISIONS RESPECTING INSURANCE. (A) All insurance required by Section 6.3 hereof shall be procured and maintained in financially sound and generally recognized responsible insurance companies selected by the Company and authorized to write such insurance in the State and satisfactory and having a Best rating satisfactory to the Agency. Such insurance may be written with deductible amounts comparable to those on similar policies carried by other companies engaged in businesses similar in size, character and other respects to those in which the Company is engaged. All policies evidencing such insurance shall name the Company and the Agency as insureds, as their interests may appear, and provide for at least thirty (30) days' written notice to the Company and the Agency prior to cancellation, lapse, reduction in policy limits or material change in coverage thereof. All insurance required hereunder shall be in form, content and coverage satisfactory to the Agency. Certificates satisfactory in form and substance to the Agency to evidence all insurance required hereby shall be delivered to the Agency on or before the Closing Date. The Company shall deliver to the Agency on or before the first Business Day of each calendar year thereafter a certificate dated not earlier than the immediately preceding month reciting that there is in full force and effect, with a term covering at least the next succeeding calendar year, insurance in the amounts and of the types required by Sections 6.3 and 6.4 hereof. At least thirty (30) days prior to the expiration of any such policy, the Company shall furnish

to the Agency evidence that the policy has been renewed or replaced or is no longer required by this Lease Agreement.

(B) All premiums with respect to the insurance required by Section 6.3 hereof shall be paid by the Company. If at any time the Agency is not in receipt of written evidence that all insurance required hereunder is in force and effect, the Agency shall have the right without notice to the Company to take such action as the Agency deems necessary to protect its interest in the Project Facility, including, without limitation, the obtaining of such insurance coverage as the Agency in its sole discretion deems appropriate, and all expenses incurred by the Agency in connection with such action or in obtaining such insurance and keeping it in effect shall be paid by the Company to the Agency upon demand, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 6.5. APPLICATION OF NET PROCEEDS OF INSURANCE. The Net Proceeds of the insurance carried pursuant to the provisions of Section 6.3 hereof shall be applied as follows: (A) the Net Proceeds of the insurance required by Section 6.3(A) hereof shall be applied as provided in Section 7.1 hereof, and (B) the Net Proceeds of the insurance required by Section 6.3(B) and 6.3(C) hereof shall be applied toward extinguishment or satisfaction of the liability with respect to which such insurance proceeds may be paid.

SECTION 6.6. PAYMENTS IN LIEU OF REAL PROPERTY TAXES. (A) It is recognized that under the provisions of the Act, the Agency is required to pay no taxes or assessments upon any of the Property acquired by it or under its jurisdiction, control or supervision or upon its activities. It is not the intention, however, of the parties hereto that the Project Facility be treated as exempt from real property taxation. Accordingly, the parties hereto acknowledge that the Payment in Lieu of Tax Agreement is expected to be executed with respect to the Project Facility, and that a Real Property Tax Exemption Form will be filed by the Agency with respect to the Project Facility once the Payment in Lieu of Tax Agreement is executed by the Agency and the Company. Once the Payment in Lieu of Tax Agreement is executed by the Agency and the Company, and thereafter until the expiration date of the Payment in Lieu of Tax Agreement, the Agency and the Company hereby agree that the Company (or any subsequent user of the Project Facility pursuant to this Lease Agreement) shall be required to make or cause to be made payments in lieu of real estate taxes in the amounts and in the manner set forth in the Payment in Lieu of Tax Agreement.

(B) In the event that (1) the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, and (2) the Payment in Lieu of Tax Agreement shall not have been entered into by the Agency and the Company, or if entered into the Payment in Lieu of Tax Agreement shall for any reason no longer be in effect, the Agency and the Company hereby agree that the Company, or any subsequent user of the Project Facility pursuant to this Lease Agreement, shall in such event be required to make or cause to be made payments in lieu of real property taxes to the school district or school districts, city, town, county, village and other political units wherein the Project Facility is located having taxing powers (such political units are hereinafter collectively referred to as the "Taxing Entities") in such amounts as would result from taxes being levied on the Project Facility by the Taxing Entities if the Project Facility were privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, but with appropriate reductions similar to the tax exemptions and credits, if any, which would be afforded to the Company if it were the owner of the Project Facility. It is agreed that the Agency, in cooperation with the Company, (a) shall cause the Project Facility to be valued for purposes of determining the amounts due hereunder as if owned by the Company as aforesaid by the appropriate officer or officers of any of the Taxing Entities as may from time to time be charged with responsibility for making such valuations, (b) shall cause to be appropriately applied to the valuation or valuations so determined the respective real property tax rate or rates of the Taxing

Entities that would be applicable to the Project Facility if so privately owned, (c) shall cause the appropriate officer or officers of the Taxing Entities charged with the duty of levying and collecting such real property taxes to submit to the Company, when the respective levies are made for purposes of such real property taxes upon Property privately owned as aforesaid, statements specifying the amounts and due dates of such real property taxes which the Taxing Entities would receive if such Property were so privately owned by the Company and not deemed owned by or under the jurisdiction, control or supervision of the Agency, and (d) shall file with the appropriate officer or officers any accounts or tax returns furnished to the Agency by the Company for the purpose of such filing.

(C) The Company shall pay or cause to be paid to the Taxing Entities when due all such payments in lieu of real property taxes with respect to the Project Facility required by Section 6.6(B) of this Lease Agreement to be paid to the Taxing Entities, subject in each case to the Company's right to (1) obtain exemptions and credits, if any, which would be afforded to a private owner of the Project Facility, including any available exemption under Section 485-b of the New York Real Property Tax Law with respect to the Project Facility, (2) contest valuations of the Project Facility made for the purpose of determining such payments therefrom, and (3) seek to obtain a refund of any such payments made.

(D) Pursuant to Section 874(5) of the Act, if the Company shall fail to make or cause to be made any payments in lieu of real property taxes required under this Section 6.6, the amount or amounts so in default shall continue as an obligation of the Company until fully paid, and the Company hereby agrees to pay or cause to be paid the same, together with a late payment penalty equal to five percent (5%) of the amount due. If the Company shall fail to make any payment required by this Section 6.6 when due and such delinquency shall continue beyond the first month, the Company's obligation to make the payment so in default shall continue as an obligation of the Company to the affected Taxing Entity until such payment in default shall have been made in full, and the Company shall pay the same to the affected Taxing Entity together with (1) an additional late payment penalty of one percent (1%) per month for each month, or part thereof, that the payment due hereunder is delinquent beyond the first month, plus (2) interest thereon, to the extent permitted by law, at the greater of (a) the Default Interest Rate, or (b) the same rate per annum which would be payable if such amounts were delinquent taxes, until so paid in full.

ARTICLE VII

DAMAGE, DESTRUCTION AND CONDEMNATION

SECTION 7.1. DAMAGE OR DESTRUCTION. (A) If the Project Facility shall be damaged or destroyed, in whole or in part:

(1) the Agency shall have no obligation to replace, repair, rebuild or restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement or under any other Basic Document (whether or not the Project Facility is replaced, repaired, rebuilt or restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in Subsection (B) of this Section 7.1, (a) the Company shall promptly replace, repair, rebuild or restore the Project Facility to substantially the same condition and value as an operating entity as existed prior to such damage or destruction, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project", as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and (b)(1) the Agency shall make available to the Company (from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the replacement, repair, rebuilding or restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any insurance settlement provided by the Agency to the Company are not sufficient to pay in full the costs of such replacement, repair, rebuilding or restoration, the Company shall nonetheless complete such work and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (2) any balance of such funds from the Net Proceeds of any insurance settlement relating to the Project Facility, if any, remaining on deposit with the Agency after payment of all of the costs of such replacement, repair, rebuilding or restoration shall be paid to the Company for its own purposes.

(B) Notwithstanding anything to the contrary contained in Subsection (A) of this Section 7.1, the Company shall not be obligated to replace, repair, rebuild or restore the Project Facility, and the Net Proceeds of any insurance settlement shall not be applied as provided in Subsection (A) of this Section 7.1, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the total amount of the Net Proceeds collected under any and all policies of insurance covering the damage to or destruction of the Project Facility, or (2) the amount necessary to prepay the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all policies of insurance are less than the amount necessary to prepay the Indebtedness in full, the Company shall pay to the Agency the difference between the Net Proceeds of such insurance and the amount necessary to prepay the Indebtedness in full.

(C) If all Indebtedness has been paid in full, all such Net Proceeds (or the balance thereof) shall be paid to the Company for its purposes.

(D) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company may adjust all claims under any policies of insurance required by Section 6.3(A) hereof.

SECTION 7.2. CONDEMNATION. (A) To the knowledge of the Company, no condemnation or eminent domain proceeding has been commenced or threatened against any part of the Project Facility. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(B) If title to, or the use of, all or any part of the Project Facility shall be taken by Condemnation:

(1) the Agency shall have no obligation to restore the Project Facility;

(2) there shall be no abatement or reduction in the amounts payable by the Company under this Lease Agreement or under any other Basic Document (whether or not the Project Facility is restored);

(3) the Company shall promptly give notice thereof to the Agency; and

(4) except as otherwise provided in Subsection (C) of this Section 7.2,

(a) the Company shall promptly restore the Project Facility (excluding any part of the Land or the Facility taken by Condemnation) as a complete architectural unit of substantially the same usefulness, design and construction as existed immediately prior to such Condemnation, with such changes, alterations and modifications as may be desired by the Company and consented to in writing by the Agency, provided that such changes, alterations or modifications do not so change the nature of the Project Facility that it does not constitute a "project" as such quoted term is defined in the Act, or change the use of the Project Facility as specified in Section 3.2 hereof without the prior written consent of the Agency, and

(b) (i) the Agency shall make available to the Company (from the Net Proceeds of any Condemnation award relating to the Project Facility, if any, on deposit with the Agency) such moneys as may be necessary to pay the costs of the restoration of the Project Facility, and in the event that the funds from the Net Proceeds of any Condemnation award on deposit with the Agency provided by the Agency to the Company are not sufficient to pay in full the costs of such restoration, the Company shall nonetheless complete such restoration and shall pay from its own moneys that portion of the costs thereof in excess of such funds, and (ii) any balance of such funds from the Net Proceeds of any Condemnation award, if any, remaining on deposit with the Agency after payment of all of the costs of such restoration shall be paid to the Company for its own purposes.

(C) Notwithstanding anything to the contrary contained in Subsection (B) of this Section 7.2, the Company shall not be obligated to restore the Project Facility, and the Net Proceeds of any Condemnation award shall not be applied as provided in Subsection (B) of this Section 7.2, if the Company shall notify the Agency that it elects to exercise its option under Article XI hereof to purchase the Project Facility. In such event, or if an Event of Default shall have occurred and be continuing, the lesser of (1) the Net Proceeds of any Condemnation award, or (2) the amount necessary to prepay all of the Indebtedness in full shall be applied to the prepayment of the Indebtedness in full. If the Net Proceeds collected under any and all Condemnation awards are less than the amount necessary to prepay the

Indebtedness in full, the Company shall pay to the Agency the difference between such amounts and the Net Proceeds of such Condemnation awards so that the Indebtedness shall be prepaid in full.

(D) If all of the Indebtedness has been paid in full, all such Net Proceeds or the balance thereof shall be paid to the Company for its purposes.

(E) Unless an Event of Default under any of the Basic Documents shall have occurred and be continuing, the Company shall have sole control of any Condemnation proceeding with respect to the Project Facility or any part thereof and may negotiate the settlement of any such proceeding. The Company shall notify the Agency of the institution of any condemnation proceedings and, within seven days after inquiry from the Agency, inform the Agency in writing of the status of such proceeding.

(F) The Agency shall, at the expense of the Company, cooperate fully with the Company in the handling and conduct of any such Condemnation proceeding. In no event shall the Agency voluntarily settle, or consent to the settlement of, any such Condemnation proceeding without the written consent of the Company.

SECTION 7.3. ADDITIONS TO THE PROJECT FACILITY. All replacements, repairs, rebuilding or restoration made pursuant to Sections 7.1 or 7.2, whether or not requiring the expenditure of the Company's own money, shall automatically become part of the Project Facility as if the same were specifically described herein.

The foregoing indemnities shall apply notwithstanding the fault or negligence in part of the Agency or any of its officers, members, agents (other than the Company) or employees and notwithstanding the breach of any statutory obligation or any rule of comparative or apportioned liability.

(C) To effectuate the provisions of this Section 8.2, the Company agrees to provide for and insure, in the liability policies required by Section 6.3(C) of this Lease Agreement, its liabilities assumed pursuant to this Section 8.2.

(D) Notwithstanding any other provisions of this Lease Agreement, the obligations of the Company pursuant to this Section 8.2 shall remain in full force and effect after the termination of this Lease Agreement until the expiration of the period stated in the applicable statute of limitations during which a claim, cause of action or prosecution relating to the matters herein described may be brought and the payment in full or the satisfaction of such claim, cause of action or prosecution and the payment of all expenses, charges and costs incurred by the Agency, or its officers, members, agents (other than the Company) or employees, relating thereto.

SECTION 8.3. RIGHT OF ACCESS TO THE PROJECT FACILITY. The Company agrees that the Agency and its duly authorized agents shall have the right at all reasonable times to enter upon and to examine and inspect the Project Facility. The Company further agrees that the Agency shall have such rights of access to the Project Facility as may be reasonably necessary to cause the proper maintenance of the Project Facility in the event of failure by the Company to perform its obligations hereunder.

SECTION 8.4. COMPANY NOT TO TERMINATE EXISTENCE OR DISPOSE OF ASSETS; CONDITIONS UNDER WHICH EXCEPTIONS ARE PERMITTED. The Company agrees that, during the term of this Lease Agreement, it will maintain its existence, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another entity, or permit one or more entities to consolidate with or merge into it, without notice to the Agency and obtaining the prior written consent of the Agency which consent shall not be unreasonably withheld or delayed; provided, however, that, if no Event of Default specified in Section 10.1 hereof shall have occurred and be continuing (and if no event exists which with the passage of time or notice or both would become an Event of Default), the Company may consolidate with or merge into another domestic entity organized and existing under the laws of one of the states of the United States, or permit one or more such domestic entities to consolidate with or merge into it, or sell or otherwise transfer to another Person all or substantially all of its assets as an entirety and thereafter dissolve, provided that (A) the Agency has received notice of such action, (B) the Agency gives its written consent to the proposed transaction, which consent shall not be unreasonably withheld or delayed, (C) the surviving, resulting or transferee entity assumes in writing all of the obligations of and restrictions on the Company under this Lease Agreement and the other Basic Documents, and (D) as of the date of such transaction, the Agency shall be furnished with (1) an opinion of counsel to the Company as to compliance with item (C) of this Section 8.4 and (2) a certificate, dated the effective date of such transaction, signed by an Authorized Representative of the Company and an authorized officer of the surviving, resulting or transferee entity, as the case may be, or the transferee of its assets, as the case may be, to the effect that immediately after the consummation of the transaction and after giving effect thereto, no Event of Default exists under this Lease Agreement and no event exists which, with notice or lapse of time or both, would become such an Event of Default (unless waived by the Agency in writing).

SECTION 8.5. AGREEMENT TO PROVIDE INFORMATION. The Company agrees, whenever requested by the Agency, to provide and certify or cause to be provided and certified such information concerning the Company, its finances and other topics as the Agency from time to time reasonably considers necessary or appropriate, including, but not limited to, such information as to enable the Agency to make any reports required by law or governmental regulation.

SECTION 8.6. BOOKS OF RECORD AND ACCOUNT; COMPLIANCE CERTIFICATES. (A) The Company agrees to maintain proper accounts, records and books in which full and correct entries shall be

made, in accordance with generally accepted accounting principles, of all business and affairs of the Company.

(B) As soon as possible after the end of each fiscal year of the Company, but in any event within thirty (30) days after such date, the Company shall furnish to the Agency a certificate of an Authorized Representative of the Company stating that no Event of Default hereunder has occurred or is continuing or, if any Event of Default exists, specifying the nature and period of existence thereof and what action the Company has taken or proposes to take with respect thereto.

SECTION 8.7. COMPLIANCE WITH APPLICABLE LAWS. (A) The Company agrees, for the benefit of the Agency, that it will, during the term of this Lease Agreement, promptly comply with all Applicable Laws.

(B) Notwithstanding the provisions of Subsection (A) of this Section 8.7, the Company may in good faith actively contest the validity or the applicability of any Applicable Law, provided that the Company (1) first shall have notified the Agency in writing of such contest, (2) is not in default under any of the Basic Documents, (3) shall have set aside adequate reserves for any such requirement, and (4) demonstrates to the reasonable satisfaction of the Agency that noncompliance with such Applicable Law will not subject the Project Facility or any part thereof to loss or forfeiture. Otherwise, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

(C) Notwithstanding the provisions of Subsection (B) of this Section 8.7, if the Agency or any of its members, officers, agents (other than the Company), servants or employees may be liable for prosecution for failure to comply therewith, the Company shall promptly take such action with respect thereto as shall be satisfactory to the Agency.

SECTION 8.8. DISCHARGE OF LIENS AND ENCUMBRANCES. The Company hereby agrees not to create or suffer to be created any Lien on any Properties of the Agency (other than the Project Facility) or on any funds of the Agency applicable to the Project Facility.

SECTION 8.9. PERFORMANCE OF THE COMPANY'S OBLIGATIONS. Should the Company fail to make any payment or to do any act as herein provided, the Agency may, but need not, without notice to or demand on the Company and without releasing the Company from any obligation herein, make or do the same, including, without limitation, appearing in and defending any action purporting to affect the rights or powers of the Company or the Agency, and paying all fees, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Agency in connection therewith, and the Company shall pay immediately upon demand all sums so incurred or expended by the Agency under the authority hereof, together with interest thereon at the Default Interest Rate or the maximum rate permitted by law, whichever is less.

SECTION 8.10. DEPRECIATION DEDUCTIONS AND TAX CREDITS. The parties agree that as between them the Company shall be entitled to all depreciation deductions and accelerated cost recovery system deductions with respect to any portion of the Project Facility pursuant to Sections 167 and 168 of the Code and to any investment credit pursuant to Section 38 of the Code with respect to any portion of the Project Facility which constitutes "Section 38 Property" and to all other state and/or federal income tax deductions and credits which may be available with respect to the Project Facility.

SECTION 8.11. EMPLOYMENT OPPORTUNITIES. (A) The Company shall insure that all employees and applicants for employment with regard to the Project are afforded equal employment opportunities without discrimination.

(B) Pursuant to Section 858-b of the Act, except as otherwise provided by collective bargaining contracts or agreements where applicable, the Company agrees (1) to list all new employment opportunities created as a result of the Project with the New York State Department of Labor, Community Services Division ("NYSDOL") and with the administrative entity (collectively with NYSDOL, the "JTPA Referral Entities") of the service delivery area created by the Federal Job Training Partnership Act (P.L. No. 97-300) in which the Project Facility is located (while currently cited in Section 858-b of the Act, the Federal Job Training Partnership Act was repealed effective June 1, 2000, and has been supplanted by the Workplace Investment Act of 1998 (P.L. No. 105-220)) and (2) where practicable, to first consider for such new employment opportunities persons eligible to participate in federal JTPA programs who shall be referred by the JTPA Referral Entities.

(C) Pursuant to the requirements of Subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, prior to the effective date of this Lease Agreement, an employment plan, in substantially the form attached hereto as **Exhibit G**.

(D) Pursuant to the requirements of Subsection one of Section 6 of Chapter 127 of the 1995 Laws of the State, the Company agrees to file with the Agency, on an annual basis, reports regarding the number of people employed at the Project Facility and certain other matters, the initial said annual employment report to be in substantially the form annexed hereto as **Exhibit H**.

SECTION 8.12. SALES AND USE TAX EXEMPTION. (A) Pursuant to Section 874 of the Act, the parties understand that the Agency is exempt from certain sales taxes and use taxes imposed by the State and local governments in the State, and that the Project may be exempted from those taxes due to the involvement of the Agency in the Project. The Agency makes no representations or warranties that any property is exempt from the payment of New York sales or use taxes. Any exemption from the payment of New York sales or use taxes resulting from the involvement of the Agency with the Project shall be limited to purchases of services and tangible personal property conveyed to the Agency or utilized by the Agency or by the Company as agent of the Agency as a part of the Project prior to the Completion Date, or incorporated within the Project Facility prior to the Completion Date. No operating expenses of the Project Facility, and no other purchases of services or property shall be subject to an exemption from the payment of New York sales or use tax. It is the intention of the parties hereto that the Company will receive a sales tax exemption letter with respect to the Project, said sales tax exemption letter to be issued on the date of the execution of this Lease Agreement and in a form similar to the form attached hereto as **Exhibit I**.

(B) Pursuant to Section 874(8) of the Act, if the Company claims any sales tax exemption by virtue of the Agency's involvement in the Project, the Company agrees to annually file and cause any sublessee or other operator of the Project Facility to file annually, with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Annual Sales Tax Report"), a statement of the value of all sales and use tax exemptions claimed by the Company and all contractors, subcontractors, consultants and other agents of the Company under the authority granted to the Company pursuant to Section 4.1(E) of this Lease Agreement. Pursuant to Section 874(8) of the Act, the penalty for failure to file the Annual Sales Tax Report shall be removal of authority to act as agent of the Agency. Additionally, if the Company shall fail to comply with the requirements of this Subsection (B), the Company shall immediately cease to be the agent of the Agency in connection with the Project. A current sample form of such Annual Sales Tax Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as **Exhibit J**. For future filings of the Annual Sales Tax Report, the Company is responsible for obtaining from the New York State Department of Taxation and Finance any updated or revised versions of such Annual Sales Tax Report.

(C) The Company agrees to furnish to the Agency a copy of each such Annual Sales Tax Report submitted to the New York State Department of Taxation and Finance by the Company pursuant to Section 874(8) of the Act.

(D) Pursuant to Section 874(9) of the Act, if the Company claims any sales tax exemption by virtue of the Agency's involvement in the Project, the Company agrees to file within thirty (30) days of the Closing Date with the New York State Department of Taxation and Finance, on a form and in such manner as is prescribed by the New York State Commissioner of Taxation and Finance (the "Thirty-Day Sales Tax Report"), a statement identifying the Company as agent of the Agency, setting forth the taxpayer identification number of the Company, giving a brief description of the goods and/or services intended to be exempted from sales taxes as a result of such appointment as agent, indicating a rough estimate of the value of the goods and/or services to which such appointment as agent relates, indicating the date when such designation as agent became effective and indicating the date upon which such designation as agent shall cease. A current sample form of such Thirty-Day Sales Tax Report required to be completed by the Company pursuant to this Lease Agreement is attached hereto as **Exhibit K**. For future filings of the Thirty-Day Sales Tax Report, the Company is responsible for obtaining from the New York State Department of Taxation and Finance any updated or revised versions of such Thirty-Day Sales Tax Report.

SECTION 8.13. IDENTIFICATION OF THE EQUIPMENT. All Equipment which is or may become part of the Project Facility pursuant to the provisions of this Lease Agreement shall be properly identified by the Company by such appropriate records, including computerized records, as may be approved by the Agency.

ARTICLE IX

ASSIGNMENTS; MERGER OF THE AGENCY

SECTION 9.1. ASSIGNMENT OF THE LEASE AGREEMENT. Except as otherwise provided in Section 8.4 hereof, this Lease Agreement may not be assigned by the Company, in whole or in part, without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed.

SECTION 9.2. MERGER OF THE AGENCY. (A) Nothing contained in this Lease Agreement shall prevent the consolidation of the Agency with, or merger of the Agency into, or assignment by the Agency of its rights and interests hereunder to, any other public benefit corporation of the State or political subdivision thereof which has the legal authority to perform the obligations of the Agency hereunder, provided that upon any such consolidation, merger or assignment, the due and punctual performance and observance of all of the agreements and conditions of this Lease Agreement and the other Basic Documents to be kept and performed by the Agency shall be expressly assumed in writing by the public benefit corporation or political subdivision resulting from such consolidation or surviving such merger or to which the Agency's rights and interests under this Lease Agreement shall be assigned.

(B) As of the date of any such consolidation, merger or assignment, the Agency shall give notice thereof in reasonable detail to the Company. The Agency shall promptly furnish to the Company such additional information with respect to any such consolidation, merger or assignment as the Company may reasonably request.

SECTION 9.3. SALE OR LEASE OF THE PROJECT FACILITY. (A) Except for subleases of portions of the Project Facility entered into by the Company in the ordinary course of business and in compliance with the terms of this Lease Agreement and the other Basic Documents and as otherwise provided herein, the Company may not sell, lease, transfer, convey or otherwise dispose of substantially all of the Project Facility or substantially all of the buildings without the prior written consent of the Agency, which consent shall not be unreasonably withheld or delayed; provided, however, that the prior written consent of the Agency shall not be required when the Company proposes to sublease a portion of the Project Facility in the ordinary course of business and such sublease is consistent with Section 3.2 hereof and the provisions of Section 854(4) and Section 862(1) of the Act.

(B) Notwithstanding anything to the contrary contained in this Lease Agreement, in any instance after the Completion Date where the Company reasonably determines that any portion of the Project Facility has become inadequate, obsolete, worn out, unsuitable, undesirable or unnecessary, the Company may remove such portion of the Project Facility and may sell, trade in, exchange or otherwise dispose of the same, as a whole or in part, without the prior written consent of the Agency, provided that such removal will not materially impair the value of the Project Facility as collateral and provided the same is forthwith replaced with similar items. At the request of the Company, the Agency shall execute and deliver to the Company all instruments necessary or appropriate to enable the Company to sell or otherwise dispose of any such item of Property free from the Liens of the Basic Documents. The Company shall pay all costs and expenses (including counsel fees) incurred in transferring title to and releasing from the Liens of the Basic Documents any item of Property removed pursuant to this Section 9.3.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. EVENTS OF DEFAULT DEFINED. (A) The following shall be "Events of Default" under this Lease Agreement, and the terms "Event of Default" or "default" shall mean, whenever they are used in this Lease Agreement, any one or more of the following events:

(1) A default by the Company in the due and punctual payment of the amounts specified to be paid pursuant to Section 5.3 or Section 6.6 hereof, and the continuance thereof for a period of ten (10) days after written notice thereof is given by the Agency to the Company.

(2) A default in the performance or observance of any other of the covenants, conditions or agreements on the part of the Company in this Lease Agreement and the continuance thereof for a period of thirty (30) days after written notice thereof is given by the Agency to the Company, provided that, if such default is capable of cure but cannot be cured within such thirty (30) day period, the failure of the Company to commence to cure within such thirty (30) day period and to prosecute the same with due diligence.

(3) The occurrence of an "Event of Default" under any other Basic Document.

(4) Any representation or warranty made by the Company herein or in any other Basic Document proves to have been false at the time it was made.

(5) The Company shall generally not pay its debts as such debts become due or admits its inability to pay its debts as they become due.

(6) The Company shall conceal, remove or permit to be concealed or removed any part of its Property, with intent to hinder, delay or defraud its creditors, or any one of them, or shall make or suffer a transfer of any of its Property which is fraudulent under any bankruptcy, fraudulent conveyance or similar law; or shall make any transfer of its Property to or for the benefit of a creditor at a time when other creditors similarly situated have not been paid; or shall suffer or permit, while insolvent, any creditor to obtain a Lien upon any of its Property through legal proceedings or distraint which is not vacated within thirty (30) days from the date thereof.

(7) (a) The filing by the Company (as debtor) of a voluntary petition under Title 11 of the United States Code or any other federal or state bankruptcy statute, (b) the failure by the Company within sixty (60) days to lift any execution, garnishment or attachment of such consequence as will impair the Company's ability to carry out its obligations hereunder, (c) the commencement of a case under Title 11 of the United States Code against the Company as the debtor or commencement under any other federal or state bankruptcy statute of a case, action or proceeding against the Company and continuation of such case, action or proceeding without dismissal for a period of sixty (60) days, (d) the entry of an order for relief by a court of competent jurisdiction under Title 11 of the United States Code or any other federal or state bankruptcy statute with respect to the debts of the Company, or (e) in connection with any insolvency or bankruptcy case, action or proceeding, appointment by final order, judgment or decree of a court of competent jurisdiction of a receiver or trustee of the whole or a substantial portion of the Property of the Company, unless such order, judgment or decree is vacated, dismissed or dissolved within sixty (60) days of such appointment.

(8) The imposition of a Lien on the Project Facility other than a Permitted Encumbrance.

(9) The removal of the Project Facility, or any portion thereof, outside Clinton County, New York, without the prior written consent of the Agency, other than in connection with a removal under Section 9.3(B) hereof.

(B) Notwithstanding the provisions of Section 10.1(A) hereof, if by reason of force majeure (as hereinafter defined) either party hereto shall be unable, in whole or in part, to carry out its obligations under this Lease Agreement and if such party shall give notice and full particulars of such force majeure in writing to the other party and to the Agency within a reasonable time after the occurrence of the event or cause relied upon, the obligations under this Lease Agreement of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability, which shall include a reasonable time for the removal of the effect thereof. The suspension of such obligations for such period pursuant to this Subsection (B) shall not be deemed an Event of Default under this Section 10.1. Notwithstanding anything to the contrary in this Subsection (B), an event of force majeure shall not excuse, delay or in any way diminish the obligations of the Company to make the payments required by Sections 4.1(H), 5.3, 6.2 and 6.6 hereof, to obtain and continue in full force and effect the insurance required by Article VI hereof, to provide the indemnity required by Sections 3.3 and 8.2 hereof and to comply with the provisions of Sections 2.2(G), 6.6, 8.2, 8.4, 8.5 and 8.7(C) hereof. The term "force majeure" as used herein shall include acts outside of the control of the Agency and the Company, including but not limited to acts of God, strikes, lockouts or other industrial disturbances, acts of public enemies, orders of any kind of any Governmental Authority or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fire, hurricanes, storms, floods, washouts, droughts, arrests, restraint of government and people, civil disturbances, explosions, breakage or accident to machinery, transmission pipes or canals, partial or entire failure of utilities, or any other cause or event not reasonably within the control of the party claiming such inability. In the event the Company should default under any of the provisions of this Lease Agreement and the Agency should employ attorneys or incur other expenses for the collection of amounts payable hereunder or the enforcement of performance or observance of any obligations or agreements on the part of the Company herein contained, the Company shall, on demand therefor, pay to the Agency the reasonable fees of such attorneys and such other expenses so incurred, whether an action is commenced or not.

FORM OF SALES TAX EXEMPTION LETTER

COUNTY OF CLINTON INDUSTRIAL DEVELOPMENT AGENCY

190 Banker Road
Suite 500
Plattsburgh, New York 12901

November 1, 2013

To Whom It May Concern:

Re: New York State Sales or Use Tax Exemption
County of Clinton Industrial Development Agency
The Development Corporation Project

Pursuant to TSB-M-87(7) issued by the New York State Department of Taxation and Finance on April 1, 1987 (the "Policy Statement"), The Development Corporation Clinton County, New York (the "Company") has requested a letter from County of Clinton Industrial Development Agency (the "Agency"), a public benefit corporation created pursuant to Chapter 1030 of 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the "Enabling Act") and Chapter 225 of the 1971 Laws of New York, as amended, constituting Section 895-f of said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the "Act"), containing the information required by the Policy Statement regarding the sales tax exemption with respect to the captioned project (the "Project") located on or used in connection with a leasehold interest (the "Leased Land") and a license interest (the "Licensed Land") in a parcel of land located at Lot 21A, Gus Lapham Drive in the Town of Plattsburgh, Clinton County, New York (the Leased Land and the Licensed Land being collectively referred to as the "Project Site").

The Company has applied to and been approved for financial assistance from the Agency in the matter of completion of the Project on the Project Site. The Project includes the following: (A) (1) the acquisition of an interest or interests in an approximately 3.59 acre parcel of land known as Lot 21A on Gus Lapham Drive in the Town of Plattsburgh, Clinton County, New York (collectively, the "Land"), (2) the construction thereon of a building to contain approximately 20,000 square foot of space and related improvements on the Land (collectively, the "Facility") and (3) the acquisition and installation thereon and therein of various machinery and equipment (the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to be leased by the Company for use as a warehouse/light assembly; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real property transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) of the Project Facility to the Company pursuant to the terms of a lease agreement dated as of September 1, 2013 (the "Lease Agreement") by and between the Agency, as landlord, and the Company, as tenant. Please be advised that on or about November 1, 2013, the Agency executed and delivered the Lease Agreement, pursuant to which the Agency appointed the Company as agent of the Agency to acquire, construct, reconstruct and/or install the Project Facility.

Pursuant to the Lease Agreement, the Company, as agent of the Agency, is authorized to make purchases of materials to be incorporated in the Project and machinery and equipment constituting a part of the Project, and purchases or rentals of supplies, tools, equipment, or services necessary to acquire, construct, reconstruct and/or or install the Project.

To ensure that the above purchases or rentals are exempt from any sales or use tax imposed by the State of New York or any governmental instrumentality located within the State of New York, the vendor must identify the Project on each bill and invoice for such purchases and indicate on the bill or invoice that the Company as agent for the Agency was the purchaser (e.g., "The Development Corporation Clinton County, New York, as agent for County of Clinton Industrial Development Agency"). In addition, the following procedures should be observed:

1. Each bill and invoice should identify the date of delivery and indicate the place of delivery.
2. Payment should be made by the Company acting as agent, directly to the vendor from a requisition from a special project fund of the payor.
3. Deliveries should be made to the Project Site, or under certain circumstances (such as where the materials require additional fabrication before installation on the Project Site or for storage to protect materials from theft or vandalism prior to installation at the Project Site) deliveries may be made to a site other than the Project Site, providing the ultimate delivery of the materials is made to the Project Site. Where delivery is made to a site other than the Project Site, the purchases should be billed or invoiced by the vendor to the Company as agent of the Agency, identify the date and place of delivery, the Agency's full name and address and the Project Site where the materials will ultimately be delivered for installation.

Pursuant to Section 874(8) of the Act, the Company, as agent of the Agency, must annually file a statement with the New York State Department of Taxation and Finance, on a form and in such a manner as is prescribed by the Commissioner of Taxation and Finance, of the value of all sales tax exemptions claimed by the Company under the authority granted by the Agency. The penalty for failure to file such a statement under Section 874(8) of the Act shall be the removal of authority to act as an agent for the Agency.

Pursuant to Section 874(9) of the Act, the Company, as agent of the Agency, must file within thirty (30) days of the date the Agency designates the Company as agent of the Agency, a statement with the New York State Department of Taxation and Finance, on a form and in such manner as prescribed by the Commissioner of Taxation and Finance, identifying the Company as agent of the Agency.

This letter shall serve as proof of the existence of an agency contract between the Agency and the Company for the **SOLE EXPRESS PURPOSE OF SECURING EXEMPTION FROM NEW YORK STATE SALES AND USE TAXES FOR THE PROJECT ONLY. NO OTHER PRINCIPAL/AGENT RELATIONSHIP BETWEEN THE AGENCY AND THE COMPANY IS INTENDED OR MAY BE IMPLIED OR INFERRED BY THIS LETTER.**

It is hereby further certified that, under the Policy Statement, since the Agency is a public benefit corporation, neither the Agency nor the Company as its agent, is required to furnish an "Exempt Organization Certificate" in order to secure exemption from any sales or use tax for such items or services.

Under the Policy Statement, a copy of this letter received by any vendor or seller to the Company as agent for the Agency, may be accepted by such vendor or seller as a "statement and additional documentary evidence of such exemption" as provided by New York State Tax Law Section 1132(c)(1), thereby relieving such vendor or seller from the obligation to collect sales and use tax on purchases or rentals of such materials, supplies, tools, equipment, or services by the Agency through its agent, the Company.

THIS LETTER SHALL BE IN EFFECT UNTIL MARCH 1, 2014.

In the event you have any questions with respect to the above, please do not hesitate to call Erin M. Hynes, Executive Director of the Agency, at 518-563-3100.

Very truly yours,

COUNTY OF CLINTON INDUSTRIAL
DEVELOPMENT AGENCY

General information

Who must file?

The General Municipal Law (GML) and the Public Authorities Law require the agent/project operator (also known as the *project occupant*) of an Industrial Development Agency or Authority (IDA) to file an annual report with the Tax Department. The agent/project operator required to file this report is the person directly appointed by the IDA to act for and to represent the IDA for the project. The agent/project operator is ordinarily the one for whom the IDA project was created.

There is usually only one agent/project operator directly appointed by the IDA for an IDA project. However, if the IDA directly appoints multiple agents/project operators, each agent/project operator must file this form (unless they are related corporations).

Only the agent/project operator(s) directly appointed by the IDA must file Form ST-340. Contractors, subcontractors, consultants, or agents appointed by the agent/project operator(s) should not themselves file Form ST-340. However, the agent/project operator(s) must include on Form ST-340 information obtained from such contractors, subcontractors, consultants, and agents, as described below.

What must be reported?

The report must show the **total value of all state and local sales and use taxes exempted** during the calendar year, as a result of the project's designation as an IDA project. This includes:

- the value of the exemptions obtained by the agent/project operator; and
- the value of the exemptions obtained by your contractors, subcontractors, consultants, and others, whether or not appointed as agents of the IDA.

The report requires only the **total combined** exemptions obtained by the above people. A break down of the total is not required. However, since the report must include the value of the exemptions they obtained, the agent/project operator must keep records of the amounts others report to the agent/project operator.

It is important that the agent/project operator make it clear to the contractors, subcontractors, consultants, and others that they must keep accurate tax information and have it available so that the agent/project operator can comply with the annual reporting requirements.

Do not include in this report the amount of any sales and use tax exemptions arising out of other provisions of the Tax Law (for example, manufacturer's production equipment exemption, research and development exemption, or contractor's exemption for tangible personal property incorporated into a project of an exempt organization).

See instructions below for additional information required.

When is the report due?

You must file Form ST-340 on a calendar-year basis. It is due by the last day of February of the following year. The reporting requirement applies to IDA projects started on or after July 21, 1993.

Filing requirements

An IDA must file this form within 30 days of the date the IDA appoints any project operator or other person as agent of the IDA, for purposes of extending any sales and compensating use tax exemptions.

The IDA must file a separate form for each person it appoints as agent, whether directly or indirectly, and regardless of whether the person is the primary project operator or agent. If the IDA authorizes a project operator or agent to appoint other persons as agent of the IDA, the operator or agent making such an appointment must advise the IDA that it has done so, so that the IDA can file a form within 30 days of the date of the new agent's appointment. The IDA should not file this form for a person hired to work on an IDA project if that person is not appointed as agent of the IDA. The IDA need not file this form if the IDA does not extend any sales or use tax exemption benefits for the project.

If an IDA modifies a project, such as by extending it beyond its original completion date, or by increasing or decreasing the amount of sales and use tax exemption benefits authorized for the project, the IDA must, within 30 days of the change, file a new form with the new information.

If an IDA amends, revokes, or cancels the appointment of an agent, or if an agent's appointment becomes invalid for any reason, the IDA must, within 30 days, send a letter to the address below for filing this form, indicating that the appointment has been amended, revoked, or cancelled, or is no longer valid, and the effective date of the change. It should attach to the letter a copy of the form it originally filed. The IDA need not send a letter for a form that is not valid merely because the "Completion date of project" has passed.
